Yzone

We like to challenge the normal at Yzone. We look at our identity before we are concerned with our image.

We regularly get together with other youth groups from around Cairns as we build a united group of young believers in the city of Cairns.

A typical night at YZONE would include some free time where the young people and leaders get to hang out and catch up on the happenings of the last week. We have a game that lets us find out more about each other and breaks some ice. And we have a time of input where we look at what the bible can teach us with our journey through life.

We also get together with other youth groups from other churches once a term for our 1YOUTH nights, they are always fun.

Why Yzone?

Young people need to understand who they are in Christ. To know who Christ is and what he has done for them and to excite young people about being recognized as followers of Jesus Christ.
