## Welcome!

to Life@theLakes. It is great that you could join us in celebrating the life God has given us. We are excited about what God is doing and believe He is shaping us into a community which restores hope and healing to our broken

world, one life at a time. Our heart is for all people to connect with God - Life - and Each Other ... It is our desire that you would feel at home and find this is a community where you can grow to your full potential, learning to love God and others the same extravagant way He loves you.

# Jesus' upside down Kingdom

## **What is a Christian?**

Someone who believes in God? Maybe? But even demons believe in God and shudder. (James 2:19) The simplest definition of a Christian is someone who **follows** Jesus. Does that mean if I believe in Jesus but I am not following him I am not a Christian? I think yes.

Today I had a conversation with a young man who had been calling himself a Christian, but as we sat and talked he had the courage to confess that in fact he was not a Christian because he was not following Jesus. While I was disappointed he had come to that place I was encouraged by his honesty and remarked he may be closer to Jesus than he realises. There are a great many confessing Christians who have no intention of following Jesus. He is far closer to Jesus than any of those.

## **What does it mean to follow Jesus?**

Over the next few weeks leading into Christmas we are going to be looking at the lifestyle of Jesus and what it means to follow him. While I would hate to reduce

or simplify following Jesus to a few words or a catchy slogan let me suggest a few words that will hopefully point us in the right direction.

**Humility** – Jesus' entry into the world, the life he lived and the death he died all were marked by profound humility. It is humility that leads us to Christ and it is humility that keeps us following Christ. "God opposes the proud, but gives grace to the humble." (James 4:6)

**Love** – Jesus' encounters, conversations, decisions and actions were all expressed in love. Love was his motivation for all he did and said. His love was not simply a feeling, but a choice to obey his Father and remain in His love. "If you obey my commands, you will remain in my love, just as I have obeyed my Father's commands and remain in his love." (John 15:10)

**Faith** – Jesus' mode of operation was faith. "I tell you the truth, the Son can do nothing by himself; he can do only what he sees his Father doing, because whatever the Father does the Son

also does." (Jn 5:19) To his followers He says, I tell you the truth, anyone who has faith in me will do what I have been doing. He will do even greater things than these, because I am going to the Father. (Jn 14:12).

**Hope** - When it was humanly impossible for Jesus to continue loving, serving, and giving, he drew strength from his hope in what His Father was doing in and through him... "who for the joy set before him endured the cross." (Heb 12:2) Isaiah reminds us, "those who hope in the lord will renew their strength." (Is 40:31)

Jesus said to his followers, "If anyone would come after me, he must deny himself and take up his cross and follow me. For whoever wants to save his life will lose it, but whoever loses his life for me will find it.

Mt 16:24-25

We celebrate not a baby in a manger, but a man who made a way back to God and calls us to follow him on that path. May we follow faithfully every day of our life.

Love

*Phil*

## Community Life

**WOW can you believe it's almost Christmas time already!** Where has the year gone? When I look back on the past year so much seems to have happened it's hard to believe we were able to fit it into 1 year.

However, back to "It's Christmas time already"

For some families this is a really exciting time of year - it's a time to get together, maybe with people we haven't even seen for almost the whole year - a time to eat, drink & be merry..... A time to celebrate.

For others it is the worst time of the year - a time of complete loneliness - a time of emptiness - a reminder of their lack of finances, friends and family...

Which category are you in? Are you looking forward to this time of year or are you dreading it? It only takes a walk into the shopping centre's at this time of year to be bombarded with everything you need to enjoy Christmas - food, toys, clothes, decorations but how wrong are they - they are missing the entire point of Christmas. Christmas is the time to celebrate the birth of Jesus - our one and only savior. HE is the only one that can

bring joy and fulfillment at this time of the year and WE ARE THE ONES WHO HAVE THE RESPONSIBILITY TO SHARE THIS REVELATION.

If this is a special time of year for you why not share that joy and sense of excitement with someone else who needs to see the birth of Jesus in a whole new light. Why not open your home on Christmas day to others who have no family to share it with. This may seem like a huge imposition on yourself - after all you have your own family to take care of - BUT what better way to show the importance of the birth of Jesus than to share who you are with someone who has nothing.

**"For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me."**

If you are willing to open your home for Christmas please let the office - if you are needing a place to go for Christmas, again please let the office know - in this way Christmas should be a more enjoyable time for everyone.

Have a great Christmas and New Year and let's all be looking forward to what God has planned for us in 2009!

## Children

information!! So please join us in this prayer.

I cannot believe the year is about to end!! I know that all the Kids leaders are praying that we end the year with a bang!! We are praying that the kids will be transformed by what they are learning at all our Kids Programmes!!

It is our heart's desire that this precious generation will discover that they are a new creation, that they have the mind of Christ and that they will begin to walk in God's power that is at work in them!! We want transformation – not just

Many of the kids at Alien Kidz have acknowledged that they don't just want to be part of God's Army – but that they desire to be part of His "Special Forces!!!" Please pray for these kids as they are in training for a higher calling. Each one needs special attention in prayer - and I am hoping that before we break up for the year that I can get many people who would be willing and committed to pray for a child over the holidays and for the upcoming year. It

is so important that our kids are protected and covered in prayer as they are at the front line of the battle!! So please let me know if you believe in the power of prayer and are interested in supporting this rising generation of God's Army!!

Seeking to build God's Kingdom together!!

## **YZone... Trinity Bay High School...Faith Hope Love organic... Backpackers...**

Wow what a year... at **YZone** we have seen the birth of **Suburban** and it has proven to go well. An opportunity for deeper relationships and deeper learning of what God has to say to us. We have started to mould **One Youth** more in a direction that truly shows unity amongst the churches involved, and I with 3 other associates (Good Shepherd, Presbyterian and Baptist) have made the commitment to meet regularly to build and encourage each other as we learn to encourage your children.

As I have gotten more involved at **Trinity Bay High School**, I have worked along side the police officer and school counsellor caring for young people that have no friendship group or healthy home situation. The counsellor has acknowledged that the best place for these young people is to get them involved in our youth program. Whatever the motivation, we need to be in prayer for these young people and the school team looking after them. We need to equip our young people so they can impact their schools. So... here's the challenge...

**WE NEED LEADERS THAT ARE CALLED INTO YOUTH MINISTRY!!!!**

**If that's you please pray and come see me Walter.**

**Faith Hope Love organic** has really been a place of encouragement and growth. Not just in numbers but in patience and waiting... the prayer is that it is recognised as a place for seekers... not in the traditional sense of how churches use this term but those in and out of faith that are genuinely looking to grow in the word and be challenged by what the word has for us today.

**Backpackers...** they're still coming from all around the world, and they still need Jesus... we are hoping to review how we do this ministry. I am hoping to run some training about this ministry so that if you are interested you can come and see and equip yourself before you commit and find it may not be your call. Remember you do not have to leave Cairns to impact the world for Jesus!!!

*Walter*

Sometimes it can be a struggle to connect meaningfully with one another in a large gathering and often we can feel isolated. Finding a place to belong in a Lifegroup will draw you into a close knit, caring community where people know, love and support one another. Being in a Lifegroup involves meeting together weekly in homes where people can make natural connections in a small group best suited for them. It's an ideal way to become part of an environment that nurtures authentic Christian community, biblical teaching, and on-going discipleship.

## Prayer Place

As the Coordinator of our prayer ministry at Centenary Lakes this year, my goal has been to encourage and increase prayer within the church community.

Prayer is often a behind the scenes ministry and so we can not know the extent of the commitment and zeal of some to pray, and the impact that your prayer life has had and will have. I want to acknowledge you and thank you for your faithfulness.

I also want to mention those who have had great intentions to pray faithfully this year but have fallen short. Don't beat yourselves up. God knows your heart. And remember prayer is not about obligation, it's about relationship.

Particular highlights for me during the course of this year have been -

- The enthusiasm and willingness of people to commit to pray for our church, our leaders, our ministries and our missionaries on one day each month

throughout the year.

- Ten days of focussed prayer at the church leading up to Pentecost.
- The power of the Holy Spirit evident on Pentecost Sunday itself.
- The Women's Prayer Retreat in August where women shared their faith journeys, encouraged each other and were spiritually fed.
- 21 days of fasting for the children and children's ministry.
- Committed prayer warriors who pray before, during and after church.
- The establishment of 'The Meeting Place', an opportunity to meet with God at the church during the week.
- Homes being opened during the week to focus on intercessory prayer for the nations.

Let us be people of prayer – people who pray for our church community, for our city, for the nations and who open our hearts to hear God's voice to direct our lives.

*Angela Harding*

People are God's method. The church is looking for better methods; God is looking for better people. What the church needs today is not more machinery or better, not new organizations or more and novel methods, but people who the Holy Spirit can use—people of prayer, people mighty in prayer. The Holy Spirit does not come on machinery but on people. He does not anoint plans, but people—people of prayer." E. M. Bounds

## Some of the people we support in Overseas Missions...

### Beatrix - SE Asia

Beatrix has recently undertaken a survey trip into the region of focus of her ministry, taking with her leaders from specific churches. Please pray that these key people will understand the needs in this area and be willing to commit to this harvest field among their churches. Pray for Beatrix as she motivates local people to reach out to non-Christians, sharing the love of Jesus to their neighbours and pray that the Lord will prepare the hearts of these neighbours to receive their gospel ministry.

### Rebekah - Central Asia

Please continue to pray for Bek as she seeks to be salt & light in her place of work. Ask for God to grant her wisdom and an ability to live with integrity in all her choices, such as knowing who to associate with, where to go and how to use her time. As she states, in a recent newsletter, "I long to be a sweet fragrance of our Father." Remember her particularly as it comes into the season of Christmas. Pray that there will be opportunities to share the special message of the Father's great gift of the Son.

For all those who are working outside their "home" countries please think of them at this Christmas time. Pray for good opportunities to share the true message of good news of this time of year. Please also ask the Father to bless them, their family and their loved ones in the coming year.

On behalf of all in MIG,

### *To Centenary Lakes Christian Community*

We would like to say thank you to the staff and congregation at The Lakes. Our 4 ½ months with you has been such a blessing. We were spiritually nourished by the messages, Bill Mills' seminar, the Marriage Course, a prayer retreat, work day, the music, Sparetimers, and the fellowship times with so many people. Continue to serve the Lord and shine forth as a caring, hospitable, and generous community of believers.

God has used our time in Australia to draw us closer to Him, closer to each other, and helped us to see areas where change was needed and needs to be continued, if we want to grow. The Lakes community of believers has played an important role in this on-going process. We praise God for you!

We appreciate your missionary vision and outreach. A local church, we feel, is not healthy at all, unless it ministers to those outside the four walls of the church. You are a sending and supporting church of numerous missionary efforts locally and world-wide.

You made us feel not just welcome, but a real part of The Lakes. We were encouraged to be helpers for the serving of tea, we were used to help serve the communion elements, and you even had us take up

the offering. The Lakes was definitely our church during our 19 Sundays of attendance. More and more people entered into conversation with us each week.

Thank you for being an excellent substitute for our home church.

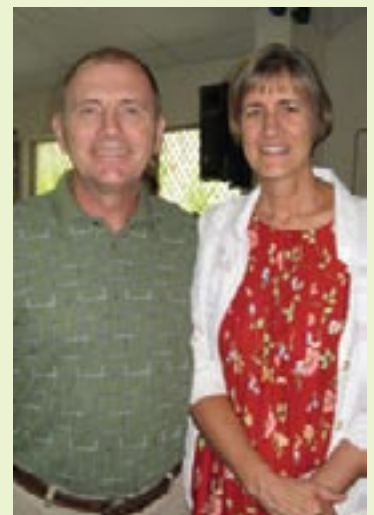

Continue preaching The Word, sharing The Word, and reflecting The Word in your daily lives. According to Eugene H. Peterson in his introduction to Philippians, in *The Message*, "It is this 'spilling out' quality of Christ's life that accounts for the happiness of Christians, for joy is life in excess, the overflow of what cannot be contained within any one person." Don't stop overflowing!

Praising the Lord,
